Troubleshooting common Issues

### Frequently Asked Questions

Q: How does the AI generate portfolio suggestions?

A: It analyses your holdings, diversification, and risk profile to generate tailored insights.

Q: Can I delete my account and data permanently?

A: Yes, from the Data & Privacy section. Your data will be removed within 30 days of request.

Q: Why am I not receiving alerts?

A: Check your Preferences section to ensure alerts are enabled and your email is verified.
