## Data & Privacy

### Allow AI to analyse my portfolio for insights

Turning this off disables personalized AI suggestions.

### Allow anonymous analytics (usage improvement)

This helps us improve platform experience without identifying you.

### Consent & Compliance

You agreed to Terms and Privacy Policy on Sept 21, 2025.

We comply with SEBI and GDPR regulations to protect your data integrity.

### Manage Your Data

View, export, or delete your data anytime for transparency and compliance.

Download My Data

Export Portfolio Summary(CSV)

Request Full Data Deletion

### Data Retention Policy

We only store your information and portfolio data as long as your account is active. If you delete your account, all associated data will be permanently removed within 30 days as per compliance standards.
